Delivery License Number: T-TN058-L09

Date of Expiration: December 31, 2009

Gentlemen:

Pursuant to Tennessee Department of Environment and Conservation Regulations, and in reliance on statements and representations made by the licensee in application dated March 17, 2009, with attachment, and Certificate of Liability Insurance dated March 23, 2009, a license is hereby issued authorizing the licensee to ship radioactive material described below to a licensed disposal/processing facility within Tennessee. This license is subject to all applicable rules and regulations of the Tennessee Department of Environment and Conservation and orders of the Division of Radiological Health, now or hereafter in effect.

The license authorizes shipment of any radioactive material (except special nuclear material sufficient to form a critical mass) in any chemical and/or physical form and in a quantity not to exceed the possession limit of the licensed recipient.

The licensee is authorized to ship radioactive material from the facility located at:

Ameriphysics, LLC  
5320 South National Drive  
Knoxville, TN 37914

into or within Tennessee to a disposal/processing facility that is licensed by Tennessee to receive such material.

The licensee shall comply with all applicable provisions of the regulations and conditions of the recipient facility's license.

**Effective date of this license:** March 24, 2009
